

PUBLIC CONSULTATION ANNOUNCEMENT

IHAT AFRICA intends to develop an integrated project for poultry production and renewable energy generation in the town of Zalala, Quelimane district, Zambézia province. Through its Environmental Consultant Maniar Salimo Manuel, **SEELC Lda** is developing the Environmental Impact Assessment (EIA) of the Project in question, within the scope of the Environmental Licensing of the project. As the public consultation is an integral part of the EIA, SEELC Lda and its Consultant are honored to invite all interested, affected parties and the general public to participate in the Public Consultation to take place on **May 10, 2022, at 9.00H**, at the Zalala Locality Headquarters.

Please note that the documents of the Terms of Reference are available at the Provincial Environment Service of the Province of Zambézia or can be requested through the following electronic addresses:
